Strengthening Our Community

WINNEBAGO AREA LITERACY COUNCIL NEEDS YOU

What is Planned Giving?

Planned giving is making the generous decision to include the WALC when making important estate and beneficiary decisions.

Why Plan to Give?

Planned giving allows you to leave an important legacy that will help future generations in your own community for years to come.

How to Give?

We encourage you to contact a lawyer or financial planner that you trust to help guide you through the process.

WALC also provides a sample codicil on our website that you can download for your own use: winlit.org.

When to Give?

We are celebrating 30 years of serving our community. We would love for you to help us reach our goal of 30 designated gifts for 30 years of service.
