

## January Newsletter

Dear Trusted Friends of WALC,

I write to you with heartfelt gratitude for your generous contributions and incredible support of our End-of-Year Campaign! Thanks to you, we didn't just meet our goal—we exceeded it, raising an amazing **\$33,217**. Because of your generosity, our adult literacy services will continue to be strong, free of charge, and accessible to the learners who count on us.

I am truly humbled and energized by the outpouring of support during a challenging time. Your belief in our mission reminds us just how powerful collective action can be. Thank you for standing with us.

**2025 has been an extraordinary year of innovation, growth, and collaboration,** and I'm excited to share just a few highlights we celebrated together:

- We received the **Statewide Outstanding Achievement in Workforce Development Award**—a tremendous honor.
- We launched a new adult learning initiative, **Immigration Learning Circles**, expanding access and opportunity.
- We hosted our **first-ever Financial Education Workshops**, equipping learners with essential life skills.
- We expanded our class offerings from **two days a week to four days a week**, reaching more than **150 learners** each week.
- We joyfully celebrated **36 years of providing free adult literacy services** in the Winnebago area at our annual fundraiser, *Spellbound for Literacy*.

None of these accomplishments would have been possible without your unwavering support.

As we look ahead, I am continually inspired by the passion and dedication of our volunteers and board members, the commitment and care of our teachers and staff, and—most importantly—the determination and curiosity of our learners. Their drive fuels everything we do.

And the excitement continues in **2026**! Here's a glimpse of what's ahead:

- **Launch of our new website and blog, *Beyond the Margins*** – Our refreshed website is live with a vibrant new design! Visit <https://winlit.org/> for the latest updates, and explore learner stories and program highlights on our blog, *Beyond the Margins*.
- **Continuation of Immigration Learning Circles** – We are excited to resume our Immigration Learning Circles, with the first session scheduled for **February 18** featuring **Raiden Montero**. Raiden will share insights on how the current

political landscape is affecting international students (F-1 visa holders), including the application process and pathways to studying in the U.S.

- **New community partnerships and collaborations** – We have several exciting partnerships on the horizon and look forward to sharing more details soon. One of these initiatives is the **Winnebago Network for Language Access**, a two-week, paid, in-person professional development opportunity taking place in March for anyone teaching or tutoring learners from refugee and immigrant backgrounds. See below for more details and information on how to apply to join this exciting initiative!
- **Honoring International Mother Language Day in February** – To celebrate the linguistic and cultural diversity of the Winnebago area, we are partnering with the Neenah Public Library to host a film screening and panel discussion of the documentary *Translators*. The 20-minute film features the stories and experiences of children who serve as translators for their parents. Following the screening, panelists from our community will share their own related experiences. Please see the details below for information on how to join us at the Neenah Public Library on February 21.
- **Celebrating 37 years of eliminating barriers to adult literacy** – We hope to see you again at *Spellbound* later this year as we celebrate another impactful year together.

Thank you for being such an essential part of the WALC community. Your support, enthusiasm, and belief in our mission truly make all the difference. As always, I value your feedback and ideas—please feel free to stop by our Learning Center on the second floor of the U.S. Bank Building. I would love the opportunity to wish you a Happy & Healthy New Year in person!

With deepest gratitude and excitement for what's ahead,

Chu May Paing, PhD

Executive Director
